See, I am doing a new thing! Now it springs up; do you not perceive it? Isaiah 43:19

HIKE TO NEW HEIGHTS

FIRST FIELD TRIP OF THE ACADEMIC YEAR

Our first field trip of the year was a hike on the Libby Creek trail. Students grades k-10 divided into three sub-groups for a day of experiential learning in the Snowy's.

While it was chilly and drippy with light rain in the morning, students were enthusiastic and determined. Each group experiencing God's creation in distinct ways.

Students in our upper class stopped midway for an outdoor forest instructional class on how to tie knots and lashing.

As always we are so thankful for the blessing that parents and LCA volunteers provide as forest teachers, chaperones and drivers on our fieldtrips.

Learning through experience has lifelong impact. We treasure our fieldtrip learning together.

Even our kindergarten students completed the entire loop for a total of just over five miles. Slow and steady, with lots of breaks for snacks, lunch, and rest made the perfect formula for forest fun.

Our middle class was treated to time at the Showy Range Lodge, directly next to the trailhead once they completed the trail. More learning and fun continued through discovery and play near the river.

THE BIG "3" OF LCA

ACADEMIC EXCELLENCE
BIBLE INTEGRATION
RESILIENT HOPE IN JESUS

INTRODUCING MRS. WULFF

With years over 24 years of experience in Christian teaching Mrs. Wulff brings a balanced and excellent approach to her classroom. She is married with three adult daughters. LCA is blessed to have her as our 2-4 grade teacher. Here is a small testimony by Mrs. Wulff.

I was saved at a summer Christian camp in junior high. I had some Catholic background in my childhood. Though I was thrilled to be saved, my comfort was in knowing I was going to heaven. My walk with Christ did not begin until I went to college, purchased a Bible, started reading, went to church, attended a few retreats. I am a work in progress, but so thrilled to be growing and trusting God more and more each day.

In my years at the public school my Christian influence has lessened year by year. After praying for direction for the previous two years, I now have a greater passion to build up the children with a firm foundation of the Truth, teaching real academics and developing a Biblical worldview.

LCA BOARD WELCOMES NEW CHAIR

LCA Board of Directors voted Christopher Rucinski as the new board chair.

With the start of the new school year and with changes in enrollment needs for the Nunnaley family, Michelle Nunnaley resigned from the LCA board chair position effective September fourth, 2022. LCA admin would like to thank Mrs. Nunnaley for her service to our school through board work the past two years. We are so grateful for all the time, prayers, and contributions she made to our start-up years.

Christopher Rucinski joined the LCA board in the spring of 2022. His contributions to date have been instrumental as the board transitions into more effective school governance. His leadership as board chair was recognized by the LCA board with a unanimous vote. LCA is blessed to have such great leadership continue to move us forward.

LCA board of directors meets monthly, typically at two pm on the first Sunday of the month. LCA board is a governance board and seeks to promote the long term fiscal stability of our Academy.
