## SO MUCH MORE IN 2024

As we return from Christmas break for the final two weeks of the first semester and the start of the second, we reflect on the many things we love about Laramie Christian Academy. Here are what some families are saying.

We appreciate the Biblical education they are receiving and value the teachers and fellow students.

In January, we welcomed 4 new students to our k-8 student body. It has been fun getting to know new classmates and their families. We are excited for February 1st, when our enrollment opens for the 2024-2025 school year. Interest is high for next year and we advise registering early to be sure your student has a spot.

## ENROLLMENT FOR 2024-25 OPENS FEBRUARY FIRST TUITION RATES TO REMAIN THE SAME, SOME WILL FEEL A DECREASE

We are pleased to announce that our enrollment for 2024-2025 opens February first. Details for next year's enrollment include the following features which we think you will be excited about.

- Tuition rates for 2024-2025 are \$4295 per student,
- Multi-student discounts and vested family discounts are also applied.
- Returning families who register by February 29 receive a waived registration deposit option.
- Families have the option of choosing a 12 month payment plan this year instead of only a 10 month option. This will result in lower monthly payments for the same overall tuition.

# ICE SKATING -- 2024

A student favorite field trip, for January was met again with enthusiasm as students took to the ice.

It is always a blessing to see our students help one another and to see students improve in their skating ability within just our one session.

# KICK-OFF

What's Mrs. McKamey's favorite part of Kick-Off? "Seeing all our families together enjoying a meal and doing community." Coming together to raise funds for our amazing academy is such a blessing causes everyone to gather and gives us a rare community opportunity.
