A YEAR IN REVIEW -- LOOKING AHEAD

What an amazing year! Again, we are blown away by God's provision through your generosity. To date, we have raised over \$100,000 of the \$127,197 needed for the 2023-2024 school year. Through fundraising events, campaigns, individual donors, corporate donors, and community donations, these funds help our Academy navigate the shortfall that start-up years present. Thank you to all who gave to LCA! God's provision through your gifts, were a significant part of making a way for LCA.

As Laramie Christian Academy heads into the start of our fifth year we are excited for another year of growth and learning. Our enrollment is up, with some classes projected to have a waitlist. We are also excited about opening up another preschool classroom to accommodate the increased enrollment in our incredibly popular Preschool Bible Time program.

In the coming year, we endeavor to complete our 5 years of documentation required to convert our ACCS status from membership to fully accredited. The following year, we aim to open in-seat high school for our 9th-grade students, and continue to open the next grade each consecutive year so that our current upcoming 8th graders could, Lord willing, be among our first graduating class in spring of 2029.
